

Tedim Certificate

In recognition of meeting the TEDIM project criteria and of the importance of the project plan's target and quality, TEDIM certificate has been granted to the initiative:

LogOn Baltic

TEDIM is a Northern Dimension development forum supporting transport and logistics and creating an integrated information network. The mission of TEDIM is to strengthen the positive development of the Baltic Sea Region within the framework of the Northern Dimension.

On behalf of the TEDIM member countries, Estonia, Finland, Germany, Latvia, Lithuania, Poland and the Russian Federation,

XIV Tedim International Co-ordinating Committee
Tallinn, Estonia, 14 October 2005

Andres Tint
Chairman of the ICC Meeting

Matti Ylösjoki
TEDIM Co-ordinator
